I, Louis M. Kelley, Special Agent, Federal Bureau of Investigation, after being duly sworn, depose as follows:

I arrived at Dallas, Texas, November 23, 1963, to assist in the investigation of the assassination of President John Fitzgerald Kennedy and related matters. On or about November 24, 1963, I was assigned to review all previously existing files and current information as to Jack L. Ruby and to prepare an insert based on such file review for inclusion in an investigative report. This insert was to include such physical description and biographical data as were available from the file review and from information developed on November 24, 1963. I had before me at the time I dictated the insert information which had been obtained on November 24, 1963, by other Special Agents of the FBI and from the Identification Division files of the Dallas Police Department. The Dallas Police Department records, under Dallas Police Department No. 22255, included information concerning arrests of Ruby dating from February 4, 1949, to March 14, 1959.

In dictating the physical description and biographical data concerning Ruby, I possibly included under the heading "Remarks," "known Dallas area criminal," based on the fact I had before me Ruby's identification record from the Dallas Police Department, which listed several arrests in the Dallas area. This would have been the only thing on which such an observation could have been based.
